Rochester Boosters Hold Christmas Dinner, Provide Christmas for Family

The Rochester Americans Booster Club held its Christmas Dinner on December 10th, at Hidden Valley Clubhouse in Rochester, NY. Even though this event was for fun, the RABC could not resist an opportunity to help others. They asked members to bring a non-perishable food item for the Christmas Family's pantry or a \$5 donation.

The Amerks Booster Club sponsors one Christmas Family each year. On December 20, the Paddock residence was bustling with activity as 15 members of the Club converged to help load the presents and food for the Christmas family into the cars. A caravan of seven vehicles made the trek to the family's home. Upon arrival, the mother was met with many smiling faces and people waving as she came to the door. Members started to form a relay line to move the various items into the home, just as Santa made his appearance. The younger children were in awe to think Santa was there. He even thanked our youngest member with us for being there to help deliver the gifts. The family was very appreciative of all the gifts, food, and the Christmas tree. One of the children even whispered to Mom, "Look, Mom, they brought us a tree". As we left the house, there was not a dry eye amongst us and I know Mom was crying when we left. Wolves Boosters Enjoys Road Watch Party

The Chicago Wolves Booster Club members took a break from the frantic pace of Christmas shopping, cleaning, baking and wrapping to attend held a Road Game Watch Party on December 15th. Members met at River Rock Gastro Pub in Schiller Park to share some holiday cheer, great food and drinks...all while watching the Wolves take on the Milwaukee Admirals up at the Bradley Center in Milwaukee, WI. Fans feasted on pizza, chicken wings, salad and a whole array of sweets as the game proceeded. Unfortunately the Wolves lost, however, members still got to enjoy the game and each other's company.

Some items were raffled off, Winners went home with Wolves memorabilia, event tickets and other fun collectibles. The proceeds from the sale of raffle tickets went to Fisher House. In addition to the money collected, several people brought donations of things found on the Fisher House wish list.

Nothing like helping others around the holidays. It is truly a win-win.

Cleveland BC Helps Northeast Ohio SPCA

The Cleveland Hockey Booster Club worked a club volunteer project helping the Northeast Ohio SPCA. In addition to volunteering, the CHBC conducted a Pet Supply Drive to help them out, as well! Fans were asked to bring items to be donated to any Monsters home game through November 14th. Some of the items collected were kitty litter, kitty and puppy chow, dog/cat brushes, bowls, new/old blankets and towels, laundry/dish soap, paper towels, and toys.

UNFINISHED BUSINESS

1) Almost every club has their dues paid. The ones not paid are not represented at the convention.

2) There was a discussion last year concerning children attending convention. We did not receive any written suggestions or proposed by-law changes

(Minutes...Continued on page 5)

(Minutes...Continued from page 4)

concerning this. At this point it is a dead issue.

NEW BUSINESS

1) There will be no initiation of rookies this year. The officers had a lengthy discussion on this. They have received a letter and many comments about this. It has also been on social media. People are feeling uncomfortable about it. Some people are afraid to come to the convention as a rookie. It was to be a fun thing but some of it has gotten out of hand. Initiation is not part of our by-laws. The board's decision was unanimous to cancel initiation from this time forward and we will welcome rookies at the General Meeting.

2) Bill Walch stated that the information for the photo contest is on the website. Dennis Gottesman (Hershey) puts together a video each year of the previous convention. Information will be on the website for ordering a DVD. Please do not send cash.

ELECTIONS

This is an election year. There were no nomination forms received. A motion from last night's Executive Board meeting was for the officers to remain in their respective office of which the officers agreed to this. Jim Pertuso (Providence) made a motion to cast one vote for each of the officers (President - Terri Lewis; Vice President - Bill Walch; Secretary - Cindy Haluszczak; Treasurer - Chris O'Shea; and Convention Chair - Chip Hanuscik); Jeff Florio (Providence) seconded the motion; the motion passed.

2016 Convention - Patty Devine (Springfield) confirmed that Springfield will host the 2016 Convention. The theme will be Dr. Suess.

2017 Convention - Providence Bruins Booster Club has accepted the hosting of the 2017 Convention.

At this time Dennis Gottesman (Hershey) presented the DVD from last year's convention.

Everyone was reminded of the dress code for tonight's banquet - no jerseys, no jeans, no t-shirts, no tennis shoes. Your meal ticket for tonight is in your badge holder. Remember to get your raffle tickets before leaving.

Ann Bello (Binghamton) thanked Howie Lewis for his running of the initiations in the past and making them fun.

There will be a separate table tonight with a place setting to honor those who are no longer with us. This will be an annual event. The names of those who

passed away this year and were given to the Secretary will be read tonight (a list is attached to these minutes). A reminder that there is a Memory Wall on the website for those who have passed and attended conventions. Submit the information along with a photo to Bill Walch.

The charity this year is the American Heart Association in memory of Therese Chwazik.

The pre-party for the 2015 All Star Game in Syracuse will be held at the Crown Plaza. Information will be given to Bill Walch to put on the Website.

2016 AHL All-Star Classic Weekend From a Fan and Booster Perspective

by Chris O'Shea (Worcester)

This year's AHL All-Star festivities were held in Syracuse NY, home of the Syracuse Crunch. The festivities started on Sunday January 31st as players, mascots, team officials, referees, league personnel, and fans from across the league made their way to Syracuse. Since many teams played Saturday night - players were still arriving late Sunday afternoon. It was awesome to see so many friends and family whom we may not get to see during the season except at convention in September.

Sunday afternoon prior to the skills competition, the "I Love NY Fan Fest at the OnCenter" was across the street from the arena. At this event, fans could try their luck spinning wheels for prizes, shoot on a goalie, try their hands at slap shots, get info on things to do in NY and get a caricature drawn in an all-star jersey. Most importantly, fans from around the league were able to get acquainted with each other and the mascots who came and entertained us. By the end of the day, there were at least 20 mascots representing teams from across the league. It sure would be nice to have all teams send their

mascots to represent their teams. Many fans love getting a chance to see the mascots and watching them interact with each other. This is a big part of All-Star festivities in addition to the game and skills competition. If the new West Coast teams can send their

mascots (San Jose and Ontario) surely the closer teams could send theirs as well. We sure do miss seeing them as they each have their unique styles of entertaining us all. The mascots are not only there for the skills competition and game. They are also out greeting people and bringing cheers and fun to all at local malls, shops and hospitals as they do back in their home cities or towns. Community service from the mascots and players are key to any community they happen to be in.

There was a pregame party/get together where there were local comedians and the band "Five for Fighting" entertaining the crowd at the OnCenter.

Sunday night was time for the skills competition -but prior to the event, the fans had time to get acquainted with the players as well as the mascots who were working the crowd. They are all great with the fans and love getting their picture taken by the masses. Two new mascots came this year representing two of the West Coast teams-Frenzy from San Jose and Kingston from Ontario and they were readily welcomed into the AHL family warmly. Crowd favorites Tux (WBS), Griff (GR), Roscoe

(MIL), McEvin (LV), Coco (HER), Chubby (CHA) and T-Bone (SA) were great as usually as they joined Audie (UTI), Moose (ROC), Crunchman (SYR), Tully (SYR), Sully (LE), Mullet (LE), Crash (IA), Salty Pete (POR), Screech (SPR), Duke (TOR) and Max (BNG). It was awesome getting the chance to see our players (or former players) on the ice warming up and interacting with the fans. Since presently I do not have an AHL team, I came to All-Stars to support and see all my guys who have called Worcester home when they

played for either the IceCats or Sharks. They were thrilled to see me as I was to see them, and I loved the hugs, smiles and getting to chat with them a little.

The skills competition was entertaining and as fans we all rooted for and cheered on our guys in their events. After the competition was over, we had the chance to go back down to ice level to get autographs and pictures with all the players on both teams.

Monday morning was the AHL Hall of Fame Induction ceremony where four AHL Alumni were honored as inductees of the class of 2016-Bruce Cline, Ralph Keller, JF Labbe and Bruce Landon. Also honored were playing captains, Jeff Hoggan and Mike Angelidis, as well as the honorary captains - Michael Peca and Scott Walker, who both have ties with Syracuse.

Monday night was game time, but first more mascot interaction and seeing more of the hockey family and friends. For many of us it's like a mini family reunion half way through the season so it was great to see them all. We may cheer for our own teams but in the end we all cheer for the game of hockey. The game was different this year as they split into 4 teams by division and played 4 on 4 and then 3 on 3. The two divisions with the best record after the round robin format, played for the title. In the end it was the Central team that came out victorious. I'm not sure how fond I am of this format yet, but it is what they decided to go with. You can go to www.theahl.com to get all the stats and game results, as well as, award winners. Congratulations to the Wolves Pat Cannone for being named All-Star MVP as well as winner of the Accuracy Shooting contest.

Tuesday it was time to make our way back safely to our home cities after a terrific two days in Syracuse and we all look forward to seeing where the 2017 AHL All-Star weekend will be.
